Mr. P. Kumaran Ezhuthassan.—May I know when this petition was received by the Government?

Mr. V. K. Aravindaksha Menon.—In 1926.

Mr. P. Kumaran Ezhuthassan.—What will be the amount required for this?

Mr. V. K. Aravindaksha Menon.—The work is reported as costing Rs. 3,000. I think Government has been satisfied with the necessity of this bridge.

Mr. P. Kumaran Ezhuthassan.— Government have ordered that the work may be taken up when funds permit. May I take it that between 1926 to 1931 Government have not been able to provide a small sum of at least 3 thousand rupees for putting a small bridge? Both these are agricultural villages and contain people carrying on agricultural operations.

Mr. V. K. Aravindaksha Menon.—It has not been found possible to include the work for the last five years.

Mr. P. Kumaran Ezhuthassan.—It is patent. Is it such an insignificant item of work that it has been lying over like this for over five years for this small sum of Rs. 3,000?

Mr. V. K. Aravindaksha Menon.—Some urgent works had to be done and I do not think that Members have raised this question during the Budget Session for last five years.

Mr. P. Kumaran Ezhuthassan.—Can I take that it will be provided for in the next year's Budget.

Mr. V. K. Aravindaksha Menon.—I must say that it will be provided if funds permit.

Mr. P. Kumaran Ezhuthassan.—We cannot understand what is meant by if funds permit. I shall like to know from the Government whether we can have that item in the next year's Budget.

Mr. V. K. Aravindaksha Menon.—Definite answer can be given only at the time of the preparation of the Budget for 1108.
